Artistically Speaking

Note from Pine Shores President...

Hello Again, My Friends,

Doesn't it feel good to know that spring is right around the corner, and these cold, gray days are almost over for another year? More to the point, Daylight Saving Time is tapping on our doors!

Last October, as DST was fading into a cold, dark winter, I asked you to consider changing our General Meeting start time from 7pm to 3pm to prevent our having to drive home from meetings in the dark. By a large majority you voted to give it a try. It seems to have worked out quite well. I love it! However, I promised you we'd reassess when DST was resuming (March 10); therefore, at our **March 11th General Meeting, which will start at 3pm**, I'll ask for a show of hands expressing how you'd like to proceed: Stay with 3pm or revert to the original 7pm start time.

If there's overwhelming agreement in favor of one start time or another, we'll have our answer. On the other hand, if there is substantial disagreement, we will survey all members.

Please give it some thought before our March 11th meeting.
