

HELP WANTED

Pine Shore Art Association

**Volunteer Positions Open
June 2022**

Volunteer positions are vital to our day-to-day efficient and effective functioning. Each role is part of established committees and new leaders will receive lots of support and guidance from the outgoing chairs, the rest of the team, and the Board.

Volunteers receive much in return for their efforts. Some join to learn new skills; others offer their experience in any number of areas for the benefit of us all. Pine Shores gives volunteers the unique opportunity to interact with fellow artists in ways that foster new friendships and creative endeavors for ongoing artistic inspiration.

These positions are open NOW and training can begin immediately. Please consider joining the team of movers and shakers that keeps Pine Shores thriving.
