SUBJECT: Exhibit Space at Ocean County Libraries

As artists, we're always looking for new places to exhibit our work and many Ocean County Libraries promote fine art to our communities through art exhibits by fine artists like us. Some of you are long time exhibitors at our libraries, others may be brand new. Either way, through our partnership we're working together to bring a variety of quality artwork of all mediums to the public.

Below are available exhibit spaces for the rest of this year. Space allotments are for one-month increments unless otherwise agreed, and available for solo or group shows. Space goes fast, so don't delay. Contact the Library Art Liaison at your library(ies) of choice to book and be sure to let them know you're with PSAA.

Contact Barbara Kraemer, 732-473-9929 or barbara.kraemer@comcast.net, with any general questions.
