Artistically Speaking

Note from Pine Shores President Linda Saladino...

A warm greeting to all our members in this frigid weather. I hope everyone is keeping safe and warm as we wait, not so patiently, for warmer temperatures. One positive of being indoors is that if you're like me you can tackle projects that are waiting to be completed. Of course, creating art is always at the top of the list.

Our long-awaited Fabulous Fakes show is finally in our newly renovated gallery and I hope to see you at the reception. All of our students should be getting one or two paintings ready for the Student Show in March. I always look forward to the works presented.

Thank you all for your patience and cooperation during these long months of construction at Stafford. If you haven't been to the building yet you are in for a special treat. It is a beautiful space for our use and we are grateful to the township for all they have done for us. Now if they could just get the elevator to work consistently, we would be golden.

Stay well and keep painting!

Linda
