

## Note from Pine Shores President Linda Saladino...

As we begin the new year in our beautifully renovated building, a happy and healthy 2026 to all our wonderful PSAA members. I wish you peace and joy, strength and caution, charity and wisdom. We should live each day with optimism and kindness, close our ears to every falsehood, our lips to words that are able to hurt and be open to all that is good in life. Try to spread happiness and love which is so badly needed in the world.

I want to thank all of you for your patience during the past few months, it is much appreciated. We are in the home stretch and should be fully operational in Stafford by the beginning of February. Your board members have been hard at work to put our art home back together and I can't thank them enough for all they are doing. Let us not forget the gratitude we have for Stafford Township and Mike Mason for everything they have done for us. We are truly blessed to be able to be housed in our facility.

Lonny, Dina, Mary Ann and I and the rest of the board are ready and eager to lead and serve you. Please give some thought to volunteering in some capacity if you haven't already. We love to welcome new volunteers. We look forward to a rewarding year of outstanding art and artists.
